For more information contact technical support at (219) 462-6128

MADE IN U.S.A

Terms & Conditions to qualify for trade in program:

- Estimated trade in value will be provided after recent pictures and serial number of the machine are provided.
- Complete tooling (less die sets) must be returned with the machine.
- A major defect on the equipment could affect the credit value of the machine.
- The final credit will be issue upon inspection within 5-7 days after machine is received.
- Trade-in value can only be applied towards new or refurbished Custom Crimp® equipment.
- Trade-in value credit cannot be used towards pending invoices.
- Refurbished equipment has a 90 day warranty (refer to Custom Crimp® warranty policy for details).
