

# SPACER KIT D205 / D206 Crimper

Spacer Kit for D205 / D206 crimper for use with extra long elbow fittings. This spacer plate adds exactly 1" between the Pusher and DBL TOP Cone to allow for extra fitting clearance. (P/N: D200-1-SPACER-KIT)

Install Pusher Spacer on top of DBL TOP Cone, make sure the roll pins are pointing downward.

Install Stop Switch Spacer on top of the existing top switch, make sure the Stop Switch is pressed firmly against the switch bracket.
